Luray Zoo receives no funding from any government agency. All income comes directly from visitor admissions, gift shop sales and individual animal adoptions.

For those individuals who want to help support Luray Zoo through their generous donations, we have just initiated a new **Animal Adoption Program**.

"Paw Parents" are able to select the animal(s) that they would like to adopt and choose from a range of support levels. Four categories of donations and **Paw Parent Benefits** have been established.
