

# Luray Zoo: Adopt a Friend

Adopt a Friend is a program that helps support the animals at Luray Zoo. Luray Zoo is a privately owned facility that receives no type of government funding. The income that helps run the zoo is gift shop sales, admission, and donations. On average a year Luray Zoo spends more than \$100,000 dollars on bedding, shavings for the animals, food, heating, building repairs, vet bills, electricity cost, staff salary and much more. The money you donate towards the animal you adopt helps pay for cost of their food, bedding, and vet care. Luray Zoo would like to thank you for your donations and the animals thank you too!
